Hey all – Please see attached for the revised NHCGW OU1 PDI Work Plan.

Please start to take a look through this document. I'll be in touch soon about follow up discussions.

Subject: Revised New Cassel PDIWP Text, Tables, and Figure Plus Draft Transects

Jeff,

I have attached the new master files with my revised text, tables, and Figure 3.
I added a new Table 4 with the schedule of deliverables. That will need some discussion.
I also attached draft transects that I used to supplement the transects from Tom Connor for selecting well depths in Table 3.
